CARDIO	Workouts designed to increase your cardiovascular health, improve your fitness & burn calories!
Barre Burn	Barre Burn is a quick, intense full-body workout blending classical barre, Pilates, and cardio intervals. It builds lean, strong muscles, burns fat, boosts flexibility, and enhances focus and endurance.
Box Fit	Power through 30 minutes of high-energy boxing and cardio, blending punches, kicks, and bodyweight exercises to burn calories, build strength, and boost endurance.
Cardio Blast	Take your cardio fitness to the next level with a blast of full body moves. High and low impact options available.
Cycle	Mix of high intensity/endurance exercises on a spin bike, set to music. A great workout for your heart and lungs.
H.I.I.T Tabata	High intensity interval training with 30 seconds on, 10 seconds rest to maximize results.
	Lean down, improve bone density, become more toned and have a tighter, firmer body!
STRENGTH	
Abs / Ab Blaster	Centralized strength & conditioning for the abs. Barre Strength is a concise yet impactful class combining full-body strength training with traditional barre exercises. It features moves to strengthen, tone, and
Barre Strength	define your body, with options to use no weights or light weights to build strength and endurance. The original barbell class that will sculpt and strengthen your entire body. Focusing on low weight loads high repetitions producing lean body muscle conditioning.
Body Pump	Improve your muscular strength, endurance, and your mobility and stability. Each session is a carefully programmed mix of upper and lower body work ensuring correct form.
Strongth LAbs	Full body strength training class for all levels. Building lean muscle as we target all major muscle groups using barbells and dumbbells.
Strength + Abs	The best of both Worlds! Get fit & firmer - all in the one session!
STRENGTH/CARDIO	Focusing purely on strengthening your abs butts and thighs. A combination of strength enhancing exercises that will target problem areas.
Abs, Butts, Thighs (ABT)	
Booty	Build your booty in this 30-minute class focused on toning, strengthening, and growing your glutes and legs for a strong, stable, and confident you.
Burn & Build	A combination of cardio and strength exercises designed to burn fat, tone, sculpt and build muscle.
Circuit	Improve your strength and fitness in this total body workout using strength, balance and agility exercises in a circuit formation.
C: :11 1	This is a low impact but dynamic workout incorporating gentle upper and lower body exercises with core strength, balance and flexibility.
Circuit Low Impact	Fit Fusion offers a wide range of disciplines to provide an overall body workout using cross training & cross fit techniques utilizing major muscles of the body.
Fit Fusion Power Circuit	Let the calories burn away in this high energy body weight exercise class. Functional training in a circuit formation with cardio bursts will get the heart rate up and
	keep you toned. This circuit combines cardio and strength training exercises, offering detailed technique support alongside the energy and encouragement of a
Strength + Conditioning	community.
DANCE	Dance yourself fit, burn calories & have fun at the same time!
Dance Fitness	Dance to pop, hip-hop, Latin, Afro-fusion, Bollywood, and belly dancing tunes in this lively class, blending new steps with classic Zumba for a fun cardio twist.
